Skateboarding: Legendary Tricks

Synopsis

A comprehensive guidebook that details dozens of spectacular skateboarding stunts, this resource combines invaluable technical information with insightful historical perspectives. Each trick is captured in action sequence and captioned so that aspiring riders can learn how each trick is performed. A history of the tricks, featuring their legendary inventors, is also included. This blend of background and how-to ensures that riders not only learn the tricks but also gain respect for the legends that made skateboarding the worldwide passion it is today.

Customer Reviews

Great book. I ordered it for my 9 year old son who loves to read and skate. He enjoys learning how to do the tricks and all the names that go with them. We had no issues with the packaging or shipping; all were good!

This book teaches the tricks that are cool and a crowd starter. It gives you the history of the trick and how to do the trick. If you are trying to learn tricks, I'd recommend this book. This book is a enjoyable read. I'd HIGHLY recommend this book.BYE!!)
