Always By My Side: The Healing Gift Of A Father's Love

Synopsis

The New York Times bestseller, now in paperback. America's most visible sports commentator recounts some of the most dramatic moments in American sports and pays tribute to the man who inspired him-his beloved father. As vivid as an instant replay, *Always by My Side* gives readers an insider's look into an unprecedented sixty-three-day stretch from February through April of 2007, when Jim Nantz became the first broadcaster to call the Super Bowl, the Final Four, and the Masters. Though Nantz was unable to share the voyage with his dad, the devoted son felt his father's presence every step of the way, and used this championship odyssey to celebrate the people, venues, and moments that tapped into all the goodness that his dad-and his dad's generation- represent. In recounting the highlights of more than two thrilling decades with CBS Sports, Nantz recalls legendary voices of his youth-such as Jim McKay, Chris Schenkel, Pat Summerall, Jack Whitaker, and Dick Enberg-who sparked his imagination and shaped his style. *Always by My Side* traces Nantz's life and career, and along the way readers are treated to an array of memories, including Nantz's special relationship with former president George H. W. Bush and his friendships with such sports royalty as Arnold Palmer, Jack Nicklaus, Tiger Woods, Phil Mickelson, Peyton Manning, Tony Dungy, Tom Brady, Bill Belichick, Mike Krzyzewski, John Wooden, and many others. *Always by My Side* turns every day into Father's Day.

Customer Reviews

Sitting down watching the Master's over the past few years, we have noticed little change in the way Jim Nantz has called the action from the tower over the 18th green. The steady, calm voice would tell the story unfolding for the audience. Ever steady, his voice made you confident that that you were indeed watching a special event. However, things were not really so steady in his life as he has had to grapple with personal tragedy in his life, but who outside of a small circle of people knew. This year, I was not watching the final round of the Masters. Instead, I was sitting on an airplane headed for Los Angeles. But I could still here Jim's voice in my head as I read his new book, *Always By My Side: A Father's Grace and a Sports Journey Unlike Any Other* (Jim Nantz with Eli Spielmen, Gotham Books, May 2008, 273 pages, ISBN-10: 1592403611, ISBN-13:978-1592403615). To me, the measure of a good book is not the words that are printed on the page, but the pictures they paint and the emotions they evoke. And as I finished the book, I sat there crying as I thought of the relationship I did not have with my now-deceased father and as I thought of my own mother battling dementia in a nursing home. You see, Jim's book is a not a typical sports memoir. It is a story of deep love and respect for his father, and the pain of not being able to be with him as Alzheimer's disease stole the father Jim loved so much. It is the story about not being able to celebrate the high point of a career with the man you know guided and nurtured you to that point. You will notice that I refer to the author of this book by his first name. This is because I first met him when he was starting out on CBS Sports Golf Coverage and was surprised by how he treated everyone with open arms and kindness.
