Customer Reviews

I LOVE this adult coloring book! The messages are truly self-affirming and yes, inappropriate -- as soon as I saw this combination, I was sold! The designs are simply lovely and with enough detail to allow you to escape into the page as you color. I love anything that Jen Myers publishes, and this coloring book is no exception. Recommendations: gel pens are especially awesome with this; as seen with the wording in my images, you aren't necessarily going to want to share this book with your children. ;)

I have a colleague at work who is typically very mild-mannered. Lately, she's been becoming frustrated with policy and personnel in our department. This was the perfect birthday present! She keeps this in her desk and whips it out when she's having a particularly irritating day. So fun!

This is such a fun twist on the adult coloring book. It's entertaining and subversive. Inspiring and just a bit swear-y. I love my copy! I've recommended it to all my friends, because what goes together better than positive vibes, coloring, and some curse words?!

I find myself spending a good portion of my time doing things besides what I need to do and this is my new go-to! I love the designs and enjoy the positive and adult nature of the sayings! Once I start coloring a page I find it hard to stop. :)

As a self-proclaimed potty mouth who needs a little pick-me-up now and then, I absolutely adore this book! The pictures are fun and never fail to make me smile. Will definitely be sending copies as gifts!

I love YOU'RE THE S***. It's hilarious and fun and I love the designs. I feel like it doubled my stress relief because not only was I coloring, but I was laughing at the awesomeness while I did. Thanks for the fun!

Great drawings. Language on some drawings too strong. My opinion.
