I started reading this book as a daily devotional it was so good. The book is comprehensive, real, and extremely well-written. Minirth and Meier are amazing intellectuals who have created an amazing piece of work. Highly recommended!

This is like a very detailed Psychology Encyclopedia in one volume. It has articles on just about everything that ails us mentally. It has great sections on addiction, etc. It also has ideas about how to overcome problems and what a diagnosis means.

I was very pleased with this book and the price was very reasonable. This book was extremely helpful to me as a christian seeking answers to some of life's "issues". I would recommend this to any student of the bible or any psychology students wanting to expand their knowledge. Great book!

A GOOD RESOURCE FOR MENTAL HEALTH FOR YOUR FAMILY FROM RESPECTED AND TRUSTED GROUP OF EXPERTS. BOOK WAS IN GOOD CONDITION.
