Contractor's Cookies (Culpepper Cowboys Book 9)

Synopsis

Felicity Quinlan has always felt like the odd duck. She was raised in a family who didn't allow her to do much of anything, and her personality has always been suppressed. When she moves to Culpepper, Wyoming, she watches her cousins and sister fall in love one by one, until she is the last Quinlan standing. She hopes she'll eventually find love, but for now she's too busy working in the bakery she started with her sister and cousin. When Allen Jennings loses his first wife to one of the cursed underwear models that plagues Culpepper, he's certain there's something wrong. He isn't sure if it's with him, or human nature, but he knows he'll never have someone who will stay by his side. When innocent little Felicity Culpepper comes at him, armed with three cookies every hour, he doesn't know what to think. Will Felicity be able to convince him that some women do love forever? Or will they spend the rest of their lives hoping for the impossible?

This is Felicity's story, Felicity says what's on her mind and has not met any man that interested her so she is still living with Linda. She is beginning to think meeting someone may take awhile and then she meets Allen Jennings when he comes work on expanding the bakery. Allen's wife left him for

one of the underwear models and it is now just he and his son Tristan. He starts work on the bakery and Felicity starts bringing him cookies she is baking just for him every hour, he's not quite sure what to do with Felicity. They meet at the dinner one night and that is the beginning of their relationship and what a fun ride, he's asks a cookie to marry him and Felicity agrees they are married the next day in true Quinlan fashion, the adventures begins with an interesting twist. I laughed and I cheered I loved it

I officially have a new Culpepper book! Felicity (a.k.a. Cookies) is an adorable heroine who kept me chuckling throughout this book. Allen is the hottie who hooks Felicity's interest and becomes inundated with cookies upon cookies. I am seriously addicted to romance with a humor when it comes to the contemporary genre and this series is one I highly recommend. Ms. Osbourne outdid herself in this book and now that the Quinlans are done - I have to wonder - who's next?

I think everyone should read these from the very first one to the last. I HOPE this isn't the last! I laugh so hard I cry sometimes at the things these Quinlin girls say. I get upset in other books because the women don't speak their minds. I don't care if it's the 1800's or the 2000's they should open up and talk!! I LOVE these books! You won't regret reading a single one!

If you haven't read all of the Culpepper Cowboys books.....STOP.....do not pass go, do not collect \$200! Read each of the previous 8 books BEFORE reading this one or it will confuse you. With that being said Ms. Osbourne and Ms. Farmer have been absolutely flawless with their joint story telling. This has to be one of the funniest books of them all. This is truly an amazing love story and one that could happen in this day and age. All of the characters are fully realized and full of life. I hope we hear more about these families in the future.

Felicity is definitely my favorite of the cousins. This book had me laughing all the way through. Kirsten Osbourne has a way with words that brings forth all kinds of emotion. Thanks for all the entertainment you given me through your books!

I feel this story was short , too short .No real drama, Felicity.like to bake cookies.No drama with Allen .Fear of her leaving ..There parents arrived, not even a bad scene..I think seeing it was the last of the girls to get married it should of been more exciting,more adventurous..

Felicity Quinlin is the last of the multiples to be married. Enter Allen, contractor and cookie lover! Who better to marry than a cookie baker. But is this story all happy? Of course, except for the Kentucky back wood parents who finally show their evil faces.

I can't get enough of the Culpeppers. I can't wait for the next one. We have Linda, Rikki and maybe the owner of the bar. Felicity is hysterical. It was a treat to finally meet the parents, what a treat. Keep them coming.
