# Cardshots - The Ultimate Pool Players Table Billiards Shot Practice Guide

## Synopsis

The key element in winning comes in the form of concentration. When you reach the key ball, the one that will give you that victory you need to master the ability to concentrate and keep your mind on the shot at hand. This is the area I was having the most trouble. So I designed my training to help me build this skill and now I can say that I am doing much better. The beauty of pocket billiards is that it will always be honest with you. Here is a series of shots and strokes with point values so you can find out where you are in this game. Master them. Take the test. Go through these shots and keep score.

## Book Information

File Size: 12718 KB

Print Length: 79 pages

Publisher: iMonkApps Limited (December 21, 2013)

Publication Date: December 21, 2013

Sold by:Â Digital Services LLC

Language: English

ASIN: B00HGLGJQ0

Text-to-Speech: Enabled

X-Ray: Not Enabled

## Customer Reviews

There a lot of good practice shot and ideas. Never thought of practice as a game or competition anything that hones skill is never bad

good study plan
