Bad Judgment

Synopsis

A deliciously sexy enemies-to-lovers STANDALONE from USA Today bestselling author Meghan March. He's arrogant. She's self-righteous. I hate him. I want her. I've been turning him down for two years straight. Every shut-down makes me work harder. I'm not a one-night stand kind of girl. She doesn't realize I won't settle for only one night. He's a distraction I don't need. She'll say yes eventually because I'm not giving up. * * * My final ruling is that Bad Judgment is Meghan March's best work yet. • "USA Today bestselling author T.M. Frazier" We absolutely couldn't get enough of this fresh storyline, the insanely combustible steam and a gripping ending you will NOT see coming!" • "The Rockstars of Romance" • Meghan March's writing is so addictive. From the very first page she sucks you in, and that's exactly what happened with Bad Judgment. It was sexy, angsty, and consuming. Another fantastic read from Meghan. PS, thanks for keeping me up late at night. • "Author Meghan Quinn

5 There's No Mitigating Circumstances, It's a Landslide Victory Stars!!! What happens when the person you think is only in it for the next notch in his bed post turns out to be the person you need

most in your life? This is what we find out in Meghan March's *Bad Judgment*. Before I tell you all the reasons why you should read this book, let me just tell you, this is one of, if not my very favorite, *Frenemies to Lovers* books. This is Ryker and Justine's story and it's fabulous! Our H/h are attending the same law school and he's been trying to get Justine to go out on a date with him since their first year. But she's consistently said no, because Justine does not have time for playboy Ryker in her life. She's on a scholarship and being a lawyer is all she's ever wanted to be. Ryker on the other hand, comes from a life of privilege that on the outside looks perfect. But as we all know, perception is not necessarily reality. Ryker and Justine are like oil and water but boy do they have some chemistry that's just bubbling below the surface. I loved how Justine's inner thoughts would constantly interrupt her train of thought when she was interacting with Ryker. Especially given the rumors surrounding a certain part of Ryker's anatomy.... "I'm not interested in anything that has to do with Ryker Grant, or his p*n*s. No, really, I'm not." This is just one of the many lines that caused me to chuckle out loud from the genius brain that is Meghan March. But as we soon find out, Ryker's persistency pays off because due to some unforeseen circumstances Justine, has to accept Ryker's offer of help but when it doesn't go as planned, Justine isn't so apt to forgive.
