06 - Artifacts and others. Artifacts, cursed items, and intelligent items. Part 07 - Appendices. Section 1 - Treasure Generator, Section 2 - Gems and Jewelry, and Section 3 - Art. Part 08 - Index. A decent index for the book. Part 09 - OGL. The usual Open Gaming Licences. This is probably one of the best and most thorough collections of items for PC's and NPC's alike available. It includes a section on firearms should you want to include them in your campaign. The small drawings throughout, I believe, helps you visualize your tools of the trade. No less than eight tables of slotless equipment - four pages of random item generation.
