Great book! Pitino took you behind-the-scenes for one fantastic ride of a season which ended in heartbreak, a little Laettner magic in a game that's considered to be the greatest college basketball game ever played.

This actually is not a bad sports book -- it covers Pitino's transition from the New York Knicks to restoring the University of Kentucky Wildcats. Do not expect a beautifully written book, but it is interesting nonetheless. I was pleasantly surprised!

I really liked the book Full Court Pressure and Success is a Choice I really learned alot from those two books.
