This is the 4th book of the Billionaire series. Kendra quit working for Jax and went to Paris for the fashion show with her ex room mate Brian Jax followed them where he made it possible for Kendra to meet a famous fashion buyer. But Jax got a call that Tyson was sick and that Jax mother had given him cows milk which he is highly allergic to. Jax dad and his wife comes to the hospital and are both very kind to Kendra They tell them they will stay with Tyson while they go home to rest. They make love and then Jax gets a call that they have proof as to who killed his sister. Get ready to read the

last book of the series.

4 Stars This is the 4th book in this series. Jax and Kendra's journey continues with seashells and lemons being brought into the mix. Though life is going not so smoothly for this couple the heart and heat brings them lemons of course but what does one do with lemons? Make lemonade of course with just the right amount of sugar it can become as sweet as one wants and as tart what will this couple be when making it? Happy Reading

The way Jax shows Kendra how much he loves her, how he supports her, how much he believes in her is great but is it to late? I'm looking forward to the next installment.

Can't wait to see how this ends. I have been hooked from the first. I know that this is one going to be easy for either of them. I can't wait to read the next book.

Wow. This is a great serial that keeps getting better. No idea where it's going next. It's well written with interesting characters.

Moving along in a most unnerving pace. Things are looking up for both Kendra and Jaz. Thank goodness they both came to their senses.
