Synopsis

Wingman rule number one: don't fall for a client. After a career-ending accident, former NFL recruit Ian Hunter is back on campus and he's ready to get his new game on. As one of the masterminds behind Wingmen, Inc., a successful and secretive word-of-mouth dating service, he's putting his extensive skills with women to work for the lovelorn. But when Blake Olson requests the services of Wingmen, Inc., Ian may have landed his most hopeless client yet. From her frumpy athletic gear to her unfortunate choice of footwear, Blake is going to need a miracle if she wants to land her crush. At least with a professional matchmaker by her side she has a fighting chance. Ian knows that his advice and a makeover can turn Blake into another successful match. But as Blake begins the transformation from hot mess to smokin' hot, Ian realizes he's in danger of breaking his cardinal rule |

5 Sexy Smart and Sassy Stars!!!As much as I love all Rachel Van Dyken's books I have to admit I was a little concerned this newest book wasn't going to live up to all the hype it was getting. I've never been so happy to be wrong or concerned about something in my entire life....not only did The

Matchmaker's Playbook live up to the hype it surpassed it if that's even possible. I was prepared for a romantic comedy and expected to laugh. I wasn't expecting to literally be snort laughing out loud anytime I picked up the book. No matter where I was, train to work, lunch at my desk or waiting for an appointment, I laughed every single time. This story is so well written and flows like smooth wine! We're introduced to all the players that are going to be involved in this series, Ian, Lex, Gabi, Blake and a handful of others, but this main focus of this book is Ian and Blake. But I digress a little... let's talk about the premise of this book... Ian, a former NFL player who's career is cut short due to an accident that no one saw coming and Lex are best friends and are a secret dating service on the University of Washington campus. "Basically, we created a dating version of Minority Report. We see the 'dating disaster' before it happens and make amendments accordingly." They ONLY help women hook-up with the men they're eying from afar. Basically, professional "wingmen." These two have a no-fail system thanks to Lex's computer prowess, their good looks, business savvy, and unfiltered thoughts that come out of their mouths. "And I'm basically the modern-day Superman, saving women from themselves while my best friend, Lex, plays sidekick.
